July 2012

LIMITED WARRANTY CERTIFICATE

Mapal warrants that Mapals' Trough Systems for Agriculture are:

RESISTANT TO UV RADIATION.

RESISTANT TO CHEMICAL AND STEAM STERILIZATION.

RESISTANT TO CHEMICALS, ACIDS AND FERTILIZERS.

The product is warranted by Mapal for the period of five (5 Years) starting from the delivery date.

MAPAL' s Trough System includes Polypropylene troughs and accessories (laces, ribs, clips or rivets according to the particular model).

In case of complaint or claim, the customer will submit a sample of the trough contended as defective. Mapal will, at its discretion, replace the product or suggest a solution to the problem.

The claimant must prove compliance with Mapals' Installation instructions.

The warranty does not apply in cases of extreme acts of nature, negligence or improper storage, installation, treatment or use of Mapals' Trough System.

Mapal pledges to help and assist the customer in any way possible and in good faith at all times.

The warranty liability is expressly limited to replacement of defective products during the warranty period, at Mapals' facilities.
